

So you're thinking about a wedding at Central Lutheran Church

Congratulations on your engagement! You are at the beginning of an important journey, and we are honored that you want Central to share in your joy on the day of your wedding.

To request a wedding date, return a completed **Marriage Request** form to the Life Passages Coordinator (lifepassages@centralmpls.org) which can be found on our website (centralmpls.org: Worship, Life Passages). It is helpful to read the non-member **Wedding Planning Guide** (also found on the website) before completing the request.

You may request a wedding date as soon as you like; however, Central will not confirm a wedding date more than a year in advance, ie June 27, 2015 until June 27, 2014. Please be advised that dates requested less than six months in advance seldom make it into our calendar of events. Central does not accept wedding date requests from representatives of couples; requests must come directly from the couple.

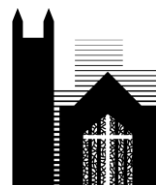

The wedding fee for non-members of Central Lutheran is \$1,600, a \$400 deposit secures your wedding date. The member wedding fee will apply when one or both parties getting married through Central are members at the time the date/deposit have been confirmed. Please contact the Life Passages Coordinator for more information on member wedding fees.

A Central pastor and musician will be assigned to every wedding service held at Central. If you are considering the participation of a guest pastor and/or musician notify the Life Passages Coordinator for our congregation's policy. Guest pastors will be approved at the discretion of the Pastor for Worship and the Arts, Hospitality and Pastoral Care, and may participate as defined by our policy. Central will assign every couple a wedding coordinator to assist with the planning of their worship service. Outside wedding planners are welcome to advise, but do not have authority for decision making for your rehearsal or wedding service.

Central offers the PREPARE inventory every other month. This inventory is fundamental to the pre-marital counseling sessions with your assigned Pastor. You must take the inventory at least four months before your wedding date.
